**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Local providers are competitive and I wish for them to survive. Please say no to broadband price hikes from the big companies that will increase the cost of internet, and make it hard for local providers to compete. Local providers are building new fiber networks to bring faster speeds. Competition builds the future!
